

KPFA CANDIDATE STATEMENT

Each candidate is entitled to have a statement of 500 words or less, made available to every voter with their ballot. **You are required to submit a candidate statement in order to be placed on the ballot. Candidates who do not submit a statement will be disqualified.**

We will also post your statement on the station's election web page. (Note that your statement can be posted before you are officially nominated to facilitate listeners' ability to find candidates whose petitions they want to sign.)

In drafting your statement, **you must begin with your name**, try to include your main theme or qualification you want to stress in your opening paragraph, as this is all many voters may read. As part of your 500 word maximum, at the end of your statement you may also list the names of up to 5 of your nominators if you wish.

You may submit your statement immediately to facilitate gathering nominating signatures, **but your final candidate statement, to be included in the ballot mailing, must be received by the Election Supervisor no later than 5 P.M. September 25, 2006.** If possible an electronic version should be submitted to avoid the need to retype it (with the potential typos).
